ADVANCED DESIGN

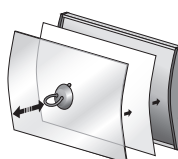

A complete way finding solution with gently curved aluminium profiles, elegant straight edges and a consistent high quality finish. A limited number of components facilitates easy installation.

EXTREMELY VERSATILE

Use DIN format inserts in paper, acrylic or metal sheets or apply text and graphics directly on the full surface using vinyl, engraving or silk screen printing.

UPDATE IN SECONDS

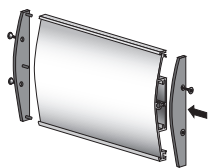

Print your own designs from your desktop and display them behind a clear acrylic cover for protection and a better appearance.

TO CREATE MULTIPLE LEVELS

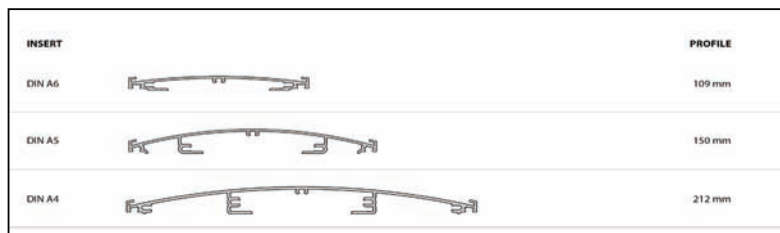

You can create a 2-level or a 3-level Strato Suspended sign by adding 1 or 2 double sided signs with reference : ST-'size'-SD + Connecting clips. Two are required for a 2-level sign and 4 are required for a 3-level sign.

You only can combine same sizes.

For example. If you want to create a 3-level sign with size 150 x 600mm you need to buy :
1 x ST-150600-S + 2 x ST-150600-SD + 4 x connector
